

Digital Template: Make Your Own Describing Tool

Instructions:

What are the areas of creative choice students can make in the project medium to create their unique expression? On the left side, list 2-5 categories of choice (see our sample tools for examples. e.g. in drawing line direction, spacing, hard and soft pressure, etc. in music, volume, speed etc.)

On the right side, anticipate vocabulary likely to be used. Where it makes sense, use a rich vocabulary you might not think of on the spur of the moment. words you use will be words they will learn.
